Programs/Courses with Specific Minimum Letter Grade Requirements

Many degree and certificate programs require specific minimum letter grades, as outlined in the curriculum, and and therefore will not allow a grade of Pass "P". Before opting-in to the Pass/Fail option, be sure to review the minimum grade requirements for your program below.

Automotive Technology Division

Program Specific Minimum Grade Requirements

Degree/Certificate Program	Prefix	Course Subject	Grade Requirement
Automotive Technology: BMW (AS)	AB	BMW	D or higher, P accepted
Automotive Technology: General Motors (AS)	AS	General Motors	D or higher, P not accepted
Automotive Technology: Toyota/Lexus (AS)	AT	Toyota	D or higher, P accepted
Automotive Technology: Chrylser (AS)	AY	Chrysler	D or higher, P not accepted

Business & Professional Studies Division

Program Specific Minimum Grade Requirements

Degree/Certificate Program	Course	Course Title	Grade Requirement
All Education (AA) & (AS) degree and certificate programs	PS222	Child Development	C or higher, P not accepted
Liberal Arts: Elementary Education (AA)	ED115	Education in American Society	C or higher, P not accepted

Degree/Certificate Program	Prefix	Course Subject	Grade Requirement
Early Childhood Education (AS)	ED	Early Childhood	C or higher, P not accepted
Early Childhood Education Certificate	ED	Early Childhood	C or higher, P not accepted
Early Childhood Education: Infant-Toddler Teacher Certificate	ED	Early Childhood	C or higher, P not accepted

Health Division

Program Specific Minimum Grade Requirements

Degree/Certificate Program	Prefix	Course Subject	Grade Requirement
Central Processing Technology Certificate	CY	Central Services	C or higher, P not accepted
Emergency Medical Technician Certificate	EM	Emergency Medical Tech	C+ or higher, P not accepted
All Health Programs, except Medical Office Admin Assistant	HL	Health Science	C or higher, P not accepted
Medical Office Admin Assistant Certificate	MO	Medical Office/Coding	D or higher, P accepted for Spring 2020 only
Medical Coding Certificate	MO	Medical Office/Coding	C or higher, P not accepted
Medical Coding Certificate	MR	Medical Records	C or higher, P not accepted
Nursing (AS)	NU	Nursing	C or higher, P not accepted
Phlebotomy Certificate	PB	Phlebotomy	C or higher, P not accepted

Paramedicine Certificate	PM	Paramedic	C+ or higher, P not accepted
Practical Nursing Certificate	PN	Practical Nursing	C or higher, P not accepted
Radiologic Technology (AS)	RT	Radiologic Technology	C or higher, P not accepted
Surgical Technology Certificate	SX	Surgical Technology	C or higher, P not accepted
Computed Tomography Certificate	TO	Computed Tomography	C+ or higher, P not accepted

Selective Admission Minimum Grade Requirements

Selective Admission Program	Course	Course Title	Grade Requirement, P not accepted
Emergency Medical Technician Certificate	EN090	Fundamentals of Composition	C or higher
Radiologic Technology (AS)	EN098	Fundamentals of Composition II	C or higher
	MA098	Intermediate Algebra	C or higher
	BI101	General Biology I w/lab	C or higher
Nursing (AS)	EN101	Freshman English I	C or higher
	MA098	Intermediate Algebra	C or higher
	BI215	Anatomy & Physiology I w/lab	C+ or higher
	BI217	Anatomy & Physiology II w/lab	C+ or higher
	CH101	College Chemistry I w/lab	C+ or higher
	BI223	Fund of Microbiology w/lab	C+ or higher (course required in curriculum, n
Paramedicine Certificate	EN098	Fundamentals of Composition II	C or higher
	MA095	Introduction to Algebra	C or higher
	BI113	Essentials of Anat & Physiology	C or higher (can also be completed 1st semester of program)
	BI215	Anatomy & Physiology I w/lab	C or higher (can also be completed 1st semester of program)
	BI217	Anatomy & Physiology II w/lab	C or higher (can also be completed 1st semester of program)
Practical Nursing Certificate	EN098	Fundamentals of Composition II	C or higher
	MA095	Introduction to Algebra	C or higher
	BI215	Anatomy & Physiology I w/lab	C or higher
	BI217	Anatomy & Physiology II w/lab	C or higher
Surgical Technology Certificate	EN090	Fundamentals of Composition	C or higher
	MA090	Basic Math Studies	C or higher

Science, Technology, Engineering, Mathematics Division

Program Specific Minimum Grade Requirements

Degree/Certificate Program	Prefix	Course Subject	Grade Requirement
Biotechnology (AS)	BT	Biotechnology	C or higher, P accepted for Spring 2020 only

Course Pre-Requisite Minimum Grade Requirements

Notes	Course	Course Title	Grade Requirement
For pre-req into CS200- Programming II	CS120	Programming I	C or higher, P accepted for Spring 2020 only
For pre-req into CS243- Computer Networks II	CS242	Computer Networks	C or higher, P accepted for Spring 2020 only
For pre-req into CS208- Data Structures	CS200	Programming II	C or higher, P accepted for Spring 2020 only
