The College adheres to the FERPA (Family Educational Rights and Privacy Act of 1974) which sets forth requirements regarding the privacy of student records. Check our website at www.massbay.edu/registrar for details. A brief summary of FERPA is captured in the following two statements: 1) College students must be permitted to inspect their own educational records. 2) School officials may not disclose personally identifiable information about students, or permit inspection of their records without written permission unless such action is covered by exceptions permitted by the Act.
The Family Educational Rights and Privacy Act (FERPA) of 1974 affords certain rights to students concerning the privacy of, and access to, their education records. In compliance with FERPA, MassBay is prohibited from providing certain information from your student records to a third party (including parents, step-parents, spouse, sponsor etc.) such as information on grades, billing, tuition and fees assessment, Financial Aid (including, but not limited to, your grants, scholarships, work study or loan amounts) and other student record information. This restriction applies, but is not limited, to your parents, spouse or sponsors. Students may choose to complete and submit this form to the Registrar allowing the release of their education records to specified third parties. Please note that while this form authorizes MassBay to release education records to third parties, it does not obligate MassBay to do so. MassBay reserves the right to review and respond to requests for release of education records on a case-by-case basis. For additional information, review MassBay Student Handbook at https://www.massbay.edu/handbook or visit the website of U.S. Department of Education at http://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html
