

PASS/FAIL OPTION

What is the Pass/Fail Option?

- The Pass/Fail option gives you college credit for completing coursework without changing your current GPA for the Spring 2020 semester only.
- After seeing your grades, you will have from May 18 - 27 to complete the Pass/Fail Acknowledgement Form.
- There is no limit to how many courses you can choose to opt in to the Pass/Fail option.
- Grade of P (Pass) is only an option for the assigned letter grades of "A" through "D."
- **After 5/27, all grades (Pass/Fail or A-D) are final.**

Pass/Fail might not be for you if:

- You need to earn a minimum grade to enroll in another course or to fulfill a degree requirement (e.g. if you need a C in CS120 to take CS200).
- You need to raise your GPA and did well academically
- You are using the coursework for admission into a graduate program or selective admissions program
