- CAB - Students who are dismissed from an academic program or the College, and wish to reenroll at the college, must appeal for reinstatement through the College Appeals Board process. College Appeals Board Application forms are available in Student Development.
- Math Requirement - Quantitative skills is a MassBay graduation competency for associate degree programs. Prior to graduation, students must demonstrate this competency by completing a 100-level math course (not MAC); or placing into a 200-level mathematics course.

- Transfer Policy - For coursework completed in the Spring 2020 semester only, MassBay will accept grades of D or higher, Pass (P), and Satisfactory (S) or similar grades, for transfer. Grades of P and S will be transferred regardless of grade equivalency provided on the official transcript. Minimum grade requirements for admission or transfer into certain programs, for use as pre-requisite courses, and for application of credit to certain program requirements, will still stand.
