Subject: MassBay Daily Update 4-8-2020

Dear Fellow Members of the MassBay Community,

Here is today's COVID-19 update. Please remember this is an ever-changing situation, and it is very important to check your MassBay email account daily.

Pass/Fail Options for Students

Yesterday, MassBay's Academic Standards Committee met and voted to implement an emergency policy for Spring 2020 to allow students to opt in to a Pass/Fair option for grading. Please note that an FAQ document is currently being created to help answer questions. This document will be shared with students, faculty, and staff by early next week. Please continue to watch your email for more information on this.

Summer Courses that Begin May 18th

Summer courses that begin on **May 18, 2020** and were originally scheduled to be "in person" will now be taught remotely. More information will follow about Automotive and Health Science classes.

***Please note:** no decision has been made yet about summer courses that begin in **July 2020**.

We will continue to update you daily by 4pm, but you can always find the latest information on our website at massbay.edu/coronavirus.
