

TOEFL EXAM PREP COURSE

MASSBAY COMMUNITY COLLEGE

Test of English as a Foreign Language (TOEFL) measures the ability of nonnative speakers of English to use and understand English as it is spoken, written and heard in college and university settings.

A strong TOEFL score is required by most US colleges and universities for admission of international and ESL students.

The TOEFL Exam Prep class will prepare you to take the new IBT (Internet-based) TOEFL test. In this class you will study each of the four required sections: writing, reading, speaking and listening. You will learn what to expect on the test and practice answering questions similar to those that actually appear on the test.
