

Management Certificate

DIVISION OF SOCIAL SCIENCES & PROFESSIONAL STUDIES

The Management Certificate is designed for students who want to broaden their current careers, or to establish a framework for further business studies, or to provide the foundation for transferring into a business oriented Associate Degree program. The Certificate is also an ideal introduction to various areas of management studies for students who have a technical or liberal arts education/vocation and are considering adding a business education component to their training. The Certificate offers a concentrated curriculum in management, a sound foundation in accounting and business law, and course work in the fundamentals of management, human resources, computer applications, marketing, and microeconomics. The Management Certificate also allows students to select from a variety of electives in business and business related psychology.

Upon successful completion, the Certificate in Management is awarded.
