

Liberal Arts: Political Science

Associate in Arts

DIVISION OF BUSINESS AND PROFESSIONAL STUDIES

This interdisciplinary program explores political issues and controversies along historical, cultural, and sociological dimensions. Students are challenged to examine the relationship between national and global structures from a variety of social and political frameworks.

This program is eligible for MassTransfer and prepares students to continue into bachelor's degree programs in many disciplines including Political Science, Law and Legal Studies, History, Sociology, and Public Policy.

Upon successful completion, the Associate in Arts Degree in Liberal Arts: Political Science is awarded.
