Certificate Program

DIVISION OF AUTOMOTIVE TECHNOLOGY

The Toyota Technical Education Network (T-TEN) program is designed to provide the technical competence and professionalism needed to become a dealership technician. The program involves automotive lecture/ laboratory instruction focusing on Toyota/ Lexus products. Students are also required to work at an approved dealership as part of the cooperative education phase of their training. The T-TEN Program is a collaborative effort between MassBay Community College and Toyota. The College has the academic and administrative responsibility for the program, which is certified by the ASE Education Foundation (ASEEF) in all eight-performance areas.

Students may also earn technical course credits from the University of Toyota/Lexus College.

Upon completion, the Certificate in [Automotive Service Technology](#) with a concentration in Toyota (T-TEN) is awarded.
