

Computer Science Career Panel | Panelist Noreen Njoroge

Noreen Njoroge is a passionate Cybersecurity specialist, a global keynote speaker, award winner of Cisco 2019 Cybersecurity Champion and is listed among the Top 30 Most Admired Minority Professionals in Cybersecurity by SeQure World Magazine, UK. She currently works at Cisco Systems as a Cybersecurity Consulting Engineer. Noreen is a people's leader and very passionate in mentoring others. She is the owner of the Mentor & Mentee women in Cybersecurity group on LinkedIn, Founder of the Global mentoring program at Cisco and the president of North Carolina Women in Cybersecurity (WiCyS) Affiliate chapter. Noreen Njoroge has continued to be the advocate for many women in the IT industry. She volunteers in both local and international speaking engagements advocating for women. Her voice can be heard on several podcasts advocating for all in this industry. Noreen is very passionate about mentoring others and being the voice of many. Noreen sets an example for others to follow in her hard work to keep ahead of the pack in a rapidly changing industry, her commitment to generously share insights on an ongoing basis, and her desire to help clients protect their business and their data in a complex and uncertain world. She holds a bachelor's degree in Information Technology from University of Massachusetts (UMASS) and a graduate of the Cybersecurity program at Massachusetts Institute of Technology (MIT)
