I understand that:

- My financial aid may be **reduced** or **cancelled** if I do not take the number of credits indicated on this application, if I change my major, or if I fail to successfully complete one or more of my attempted courses.
- Returning students: My summer financial aid award is provided with the assumption that I am meeting Satisfactory Academic Progress (SAP). Once Spring 2021 semester grades post, my Satisfactory Academic Progress will be reviewed. If at that time I am not meeting SAP, my financial aid award will be canceled for the Summer 2021 semester. I understand that if this happens, I am responsible to pay my summer charges.
- **If I do not receive financial aid or if my financial aid is not sufficient to cover all charges, I am responsible for paying the difference.**
- Funds will disburse at the end of July. If my financial aid exceeds my charges, I will receive a refund check for the credit balance during the month of August.
