2021-2022 Financial Aid Consortium Agreement

Through this agreement, MassBay Community College contracts with the institution listed in Section II hereafter referred to as the Consortium Institution, to allow the matriculated student below to receive financial aid based on their enrollment at the Consortium Institution during the effective duration of this agreement.

MassBay Community College, known as the ‘home’ institution, agrees to calculate and disburse aid for which the student may be eligible including federal and state funds. MassBay can transfer funds either to the student or directly to the Consortium Institution. No funds will be available until enrollment at the host institution is verified and all funds are actually received by MassBay. The student may be responsible for all charges at the Consortium Institution since the financial aid will not be forthcoming until all of the consortium conditions have been met.
