

The MassBay Community College (MBCC) Associate Degree Nursing is committed to continuous quality improvement. The following represents a summary of our progress toward meeting program outcomes.

The Accreditation Commission for Education in Nursing (ACEN) requires that the assessment of program outcomes is shared with communities of interest, including current and potential nursing students. The two outcomes which are required to be reported are:

1. NCLEX Success
2. Program Completion Rates

1. NCLEX Pass Rates 2018-2020

First-time Performance on Licensure/Certification Examination Aggregated for Entire Program		
Expected Level of Achievement from Systematic Evaluation Plan	Year	Licensure Examination Pass Rate
95% of graduate nurses will pass NCLEX on first attempt	2017	100%
95% of graduate nurses will pass NCLEX on first attempt	2018	100%
95% of graduate nurses will pass NCLEX on first attempt	2019	100%
95% of graduate nurses will pass NCLEX on first attempt	2020	83%

2. Students' completion of the nursing program through May 2020 graduation

Performance on Program Completion – Aggregated for Entire Program		
Expected Level of Achievement from Systematic Evaluation Plan	Year	Program Completion Rate
70% or higher of students will graduate by the 6 th semester after the program start date	2018	41%
70% or higher of students will graduate by the 6 th semester after the program start date	2019	51%
70% or higher of students will graduate by the 6 th semester after the program start date	2020	70.5%
