

SUMMER STEM SAMPLER WORKSHOPS

FOR UNDERSERVED* HIGH SCHOOL STUDENTS WHO IDENTIFY AS FEMALE

*Underserved:

- Are eligible for free or reduced lunch
or
- Will be the first in their family to attend college
or
- Are under-represented in college admissions

Our STEM Sampler Workshops are a five day exploratory in:

- Science (Contemporary Issues in Biology)
- Technology (Robotics and Web Design)
- Engineering (Engineering Design)
- Math (interactive, contextualized in STEM)

Preference will be given to rising juniors/seniors and graduating seniors.
Submitting an application does not guarantee enrollment.

WHEN: July 13-17, 2020 ~ 9 AM – 3 PM

WHERE: MassBay's Wellesley Hills Campus

PROGRAM COST: Free, funded through STEM Starter Academy
