SET YOURSELF UP FOR SUCCESS

7 Academies
70+ Programs

Academies

At MassBay, we have more than 70 degree and certificate programs, which is a lot to choose from. To make your choice easier, we have grouped all of our programs into seven “Academies,” each of which represents a broad area of study. When you choose a program, you also will be a member of an Academy. Think of your Academy as a community of professors and students who share your interests and goals.

The Academy Advantage

The opportunity to explore many certificate or degree programs to create your best future

Allows you to focus your efforts and time

Membership in a community of learners where students and faculty support one another

A dedicated advisor who will help you develop a plan to achieve your goals and guide you along the way

MassBay Quick Facts:

25% of MassBay students transfer to four-year universities to continue their education

MassBay has more than 4,500 full- and part-time students

More than 70 associate and certificate programs offered through seven Academies

Small class sizes, averaging 17 students per class

Twenty student clubs, seven athletic teams, and multiple opportunities for leadership

Half of MassBay students receive financial aid

EXPLORE THE ACADEMIES

Automotive Technology Academy

Gain hands-on experience repairing and maintaining popular vehicles including BMW, Chrysler (Alfa Romeo, Dodge, Fiat, Jeep, RAM), General Motors (Buick, Cadillac, Chevrolet, GMC), Toyota, and Lexus. All programs offered through this Academy include paid working experiences at local auto dealerships. Automotive Technology graduates enjoy a 98% job placement rate.

STEM Academy

Science, Technology, Engineering & Mathematics

Science, technology, engineering, and math jobs are projected to grow rapidly over the next decade. Accordingly, STEM is the largest Academy at MassBay, preparing students for immediate entry into the workforce or for continued study at top four-year colleges and universities.

Business Academy

Ideal for students who identify as leaders, problem solvers, or entrepreneurs, this Academy enables students to climb their career ladders in small steps by earning certificate credits that can be applied toward associate degrees and associate credits that can be applied to bachelor's degrees.

Education & Human Services Academy

A great choice if you want to improve life for others—and yourself! Associate and certificate programs will prepare you to become an early childhood or elementary teacher or to work at a variety of human services agencies such as the YMCA, the Boys and Girls Club, community centers, and more.

DREAMER

Health Sciences Academy

More than half of the occupations projected to grow the fastest over the next decade are healthcare-related, an increased demand that's also leading to increased compensation. With one associate degree and nine certificate program options, the Health Sciences Academy is an ideal choice if you can't wait to get to work.

Humanities & Social Sciences Academy

If you are a strategic thinker, creative, and enjoy communicating with others in various ways, you'll want to consider the programs offered through this Academy. Students in this Academy explore ideas and theories, and participate in engaging, hands-on learning activities.

Legal Studies Academy

If you like helping people and have a strong sense of social justice, explore the many careers that studying criminal justice can lead to, from providing security, to offering guidance as a parole officer, and more. If you are a critical thinker and want to work in a more structured environment, you would likely excel as a paralegal—and the Boston area is one of the best in the country for paralegal employment.

MassBay students have the highest six-year success rate of all 15 Massachusetts community colleges!*

*Success rate = percentage of full-and part-time degree-seeking students who, within six years, earn a degree or certificate, transfer to a four-year school, or are still enrolled with at least 30 credits.

Degree and Certificate Programs by Academy

Automotive Academy
